

Journey to the Heart of Love:

A Passage through Holy Week

Hallelujah Farm · Chesterfield, NH

“For where the heart is, there is the treasure”

Gospel of Mary Magdalene

April 14 – April 21, 2019 April 18 – April 21, 2019
(week-long retreat) (long weekend retreat)

This is an invitation to practice together, following from within the map given through the events of Holy Week, in a container of deep silence and recollection. To gently begin to enter into the heart of what it might be to ‘stand by’ in the spirit of Mary Magdalene. To open to the possibility that we may accompany, as Cynthia Bourgeault has written, and bear witness to “Jesus on his timeless passage through death, to the very source of life, and back into the world”, touching upon “the intense transformational energy of the Pascal Mystery”.

Conscious love and awakened presence; interconnectedness and dying to self; witness of the heart - these will be the themes that animate practices of silent prayer, conscious practical work, wisdom chant, lectio divina, sacred conversation, gesture and movement, and Eucharistic worship. The Gospel of Mary Magdalene, along with Bourgeault’s beautiful Holy Week Liturgies, will weave their way into the experiential and participatory nature of the retreat.
